Veterans March 2010 Newsletter and Job Listing

A list of current jobs available in the area is included. The list is not made for a specific individual or job category. The list consists of the current jobs listed by employers using the Workforce Center web-site. The jobs sent to you are located in Larimer and Weld Counties.

The description of the jobs sent to you can be viewed on www.connectingcolorado.com . To view the jobs on the website, enter the full seven digit number into the "to look up a job by job number..." field. After entering the number hit "Look Up", and you will be able to view the entire job description including the instructions on how to apply.

Once you are registered in ConnectingColorado, you will have access to statewide Employment Opportunities. You are a job seeker and your registration will appear using your social security number. To use the ConnectingColorado website, you will have to select a user name and a password.

In the meantime take a look at www.indeed.com . It is one the best job search engines period.
